## News from the RWN President, Megan Flanagan Mills

### Happy New Year!

I am so humbled and grateful to be the new President of RWN. This is such an amazing group of women who I am honored to lead. I hope you all will join me in thanking Linda Heeler for all of her amazing work over the past two years as President.

I am excited to begin this year with SIG/COMM 2020. This is a great opportunity to get our members involved in committees and more engaged with our amazing SIGs. For anyone who is interested in getting more involved this year I would highly recommend attending and asking others in RWN for recommendations on which groups/SIGs to join.

At the end of this month you will notice the first event in our 2020 Diversity series where Milo Primeaux will be discussing Intersectionality. If you missed him at last year's Symposium he is an amazingly dynamic speaker with much knowledge to share with our organization and members. I guarantee you will come away from the discussion with at least some thought provoking questions to consider.

Finally, we are actively looking for committee members for our 2020 Symposium committee, if you or anyone you know may be interested in helping, especially the program committee, please let me or Sandy know & we can connect you to the Committee chair.

I look forward to a great year!

Sending Smiles,

Megan Mills

### Member Testimonial from Kc Rossi

One year ago I joined the Rochester Women's Network. In the beginning, I was shy and quietly sat at the networking round tables hoping that someone nice would sit next to me (true story).

As you can imagine, I didn't really gain any traction or feel very confident. Then, I had a mindset shift. If I was going to invest my time, money, and efforts I needed to show up.

Sounds so simple...right?!?

And so I did and here's what happened - I began attending the small interest groups on a regular basis. Went on countless coffee meetups. Exhibited at their yearly Spring Symposium. Offered free Clarity Calls to my peers helping them get unstuck. They walked away refreshed and enthusiastic with a good direction for their business.

Was the highlighted speaker at the Sales & Marketing meeting. Attended their W Awards Gala celebrating and recognizing the volunteers of the organization. Was asked to kick off 2020 with an article all about how to cultivate multiple streams of income.

As a result of the above, not only did I have the pleasure of connecting with dozens of amazing and dynamic women, I wrote \$15K in business from this 1 networking channel.

Why am I telling you all this?

Because organizations are like vitamins - as a standalone they have value but when you commit to incorporating them into your routine is when they are truly effective.

Just "joining" something isn't enough.

If I allowed myself to play small (and hide in the corner) I probably would have walked away saying 'This doesn't work!' and went on to the next shiny object.

So with the New Year right around the corner, ask yourself - Am I ready to show up? Because I guarantee if you do, you will see results and have fun in the process too!

**PLEASE consider sharing your "RWN story"** by submitting it to Lynn Kerr at: [lynn@bookeepkerr.com](mailto:lynn@bookeepkerr.com)

Please contact Sandy at (585) 383.8080 or at [rwn@rwn.org](mailto:rwn@rwn.org) if you have any questions.

The Membership committee works on developing strategies to retain current members and recruit new members. New committee members are always welcome to attend our meetings and share growth opportunities, retention initiatives, and explore potential RWN opportunities. If you can't make a meeting, suggestions for membership initiatives are always welcome via email.

The Membership Benefits document is posted on the RWN website <http://www.rwn.org/levels.html>. We encourage members to review the benefits of different levels of membership and determine which level best suits their needs.

**New Member Benefit:** As a benefit of membership, all RWN members are invited to submit blog posts about work life, business/professional education, and advancement. If you are interested in submitting a blog post, please contact Terra Osterling at [terra@suddenwriteturn.com](mailto:terra@suddenwriteturn.com) to discuss topics and timelines. Guidelines are available to help you format and organize your post!

**Reminder:** SIGs are a member benefit. Please keep your membership current.

Remember your loyalty card when attending RWN events. Once you have had your loyalty card signed for attending twelve different RWN events in one year, you are entitled to get 20% off your next year's membership dues, whether you stay at the same level or upgrade to a higher membership level!

**LOYALTY Cards:** Everything you always wanted to know but were afraid to ask!

1. They do not expire.

2. Free networking events do not apply.
3. Member can have card signed once per year by committee chair or co-chair, for each committee they participate in.
4. Member can have card signed once per year by SIG leader for each SIG they participate in.
5. Member who brings in new paid member will have card signed for each new member.

We meet the fourth Wednesday of every month at noon. If you have any questions, or want more information, please contact Lynn Kerr at [lynn@bookeepkerr.com](mailto:lynn@bookeepkerr.com).

**Date:** January 22, 2020 & February 26, 2020

**Time:** Noon

**Location:** 1115 East Main St (Old Hungerford Bldg.) Rochester, NY 14609

**RSVP:** Contact Lynn Kerr if you plan to attend at [lynn@bookeepkerr.com](mailto:lynn@bookeepkerr.com).

## Revenue Development Committee

*Seeking additional committee members – see committee information below...*

Next Meeting: February 6<sup>th</sup> @ Noon

Please call or email Jillian Jones at 716-397-8932 or [jillianj@supportivedivoresolutions.com](mailto:jillianj@supportivedivoresolutions.com)

## What are the benefits of serving on the Revenue and Development Committee?

1. Going to meetings where you see the same group of women means you get to know about their business and/or profession on a deeper level. That is how real relationships are made both personally and professionally.
2. Committees are a friendly, safe environment to practice skills that you want to build up such as leadership, marketing, public speaking, to name a few.
3. Feeling like you should volunteer more but just don't "have the time"? Well yes, you are volunteering your time but serving on a committee does more than just putting in volunteer hours and making your heart warm. While giving back to your community you also get to have fun with other like-minded women and your marketing yourself and/or your business at the same time! Triple whammy!

## Why is this committee important to RWN?

1. Revenue and development is closely intertwined with our other committees such as: major events, programs, marketing - we support them and work together for success.
2. We are a nonprofit and need to ensure that our programs and events are successful so that we have funds to run RWN; from SIG's to running our website. We want to continue to offer members what they are asking for and we can't do that without a healthy bottom line.

## Are you interested in learning more?!

Please call or email Jillian Jones at 716-397-8932 or [jillianj@supportivedivoresolutions.com](mailto:jillianj@supportivedivoresolutions.com)

## **YWCA IS ON A MISSION**

**DO YOU THINK SANITARY PRODUCTS ARE A HUMAN RIGHT?**

After years of being made to feel ashamed of a normal bodily functions, more women are speaking up about menstruation and the need for society to treat feminine products as a very basic necessity.

Each and every day, hundreds of women and girls call the YWCA home. Whether they live in our emergency shelter for the homeless, the Steppingstone recovery program or long-term affordable housing, we believe they have the right to keep their bodies clean and healthy.

The reality is that sanitary pads and tampons are expensive and with a limited budget we need your help to provide the sanitary products needed to help keep our residents well.

Please consider dropping off sanitary products (soap, deodorant, tooth paste, tooth brushes, combs and brushes are always needed as well) at

### **Open Access**

Sadly, 12% of all New Yorkers over 11 years old experience addiction or abuse disorders every year. The Monroe County Medical Examiner's Office released preliminary numbers stating there were 766 opioid-related overdose reports in 2017, 220 of which were fatal. Alcoholism and other substance use disorders continue to hurt individuals and families in our community every day.

When you or a loved one is ready to seek treatment, call or go to Open Access at 1350 University Avenue, Rochester (585-627-1777). Open Access is staffed 24/7 and welcomes all ages. There will be an evaluation and a connection to an

appropriate level of care. Families seeking guidance can call a Recovery Support Navigator at 855-778-1200.

RWN member Erin Egloff, the Finger Lakes Addiction Resource Center Coordinator at the National Council on Alcoholism & Drug Dependence, can also guide you to the right resources. Call her at 585-719-3485 or email [eegloff@depaul.org](mailto:eegloff@depaul.org).
